

QUEEN STREET BRISBANE SCHOOL OF HAIRDRESSING

A world of opportunity for hairdressers

Brisbane School of Hairdressing offers a world of opportunity for students and clients alike. Brisbane School of Hairdressing is a Pivot Point Accredited college offering one-year full-time Certificate III in Hairdressing to aspiring hairdressers of all nationalities. Our next course starts September 21 and you can complete your formal qualifications in less than 1 year.

The superior Pivot Point training is recognised in over 70 countries opening up a world of opportunities for graduates. In Australia, Brisbane School of Hairdressing graduates get jobs. "Our graduates get jobs more easily because of their thorough understanding of the theory of hairdressing combined with extensive hands-on experience on real live clients." says Lina Wood, Director of Brisbane School of Hairdressing.

This fully supervised hands on experience is a fantastic opportunity for the people of Brisbane

because they can get their hair done by students fully supervised by experienced educators. Style-cuts in the Upper Ground Level Salon in the Queen Adelaide Building cost only \$10.00 or only \$16.00 with a shampoo and blowdry. Colours including foils, highlights and tints regrowth can all be done at incredibly affordable prices. Students can also create highly fashionable cuts and colours, willingly tackle perms and straightening, create dreadlocks and many other services to meet the requests of their clients.

If you are considering a career in hairdressing or are just looking for something fun to do these school holidays, then enrol in our Summer School for aspiring hairdressers! We are running an educational three-day Summer School for high school students that will give a real insight into styling hair as a career. Running from 18 to 20 January, this personal development program is suitable for girls and boys aged 14 – 18 years. The program will cover tips on building confidence and self-esteem, job seeking and communication

skills, and students will learn tips and tricks for personal grooming in addition to gaining a sneak peek into the industry. On the last day of the program participants receive a makeover to keep them looking cool when they return to school. The course costs \$130 for three days, running from 9.30am – 3.30pm at the Brisbane School of Hairdressing located on the Queen Street Mall.

The School's two Brisbane City Salons are open Monday to Friday 9-5 and are located at UG Level Queen Adelaide Building. Appointments are preferred but not necessary.
