## ABOUT THE UNIQUE STUDENT IDENTIFIER (USI)

Every year, an estimated three million Australians build and sharpen their skills by undertaking nationally recognised training. From 1 January 2015, all students doing nationally recognised training need to have a Unique Student Identifier (USI). This includes students doing Vocational Education Training (VET) in schools.

A USI is a reference number made up of numbers and letters. Creating a USI is free. It creates a secure online record of your nationally recognised training that you can access anytime and anywhere, and it's yours for life.

The USI is linked to the National Vocational Education and Training (VET) Data Collection, and this means an individual's nationally recognised training and qualifications gained anywhere in Australia, from different training organisations, will be kept all together.

## SOCIAL MEDIA POLICY

Students are reminded that only positive notes about the college and fellow students are displayed on social media sites when making reference to AAHB. Under no circumstances should offensive or derogatory comments be made about AAHB staff, students or clients on the internet. ## HOW WE SETTLE DISPUTES

The school has a formal procedure for addressing complaints and academic appeals. Our procedure ensures that if you ever have any need to complain the school will handle it promptly and fairly. In the event of a complaint concerning any matter in relation to the training, a student can:

- Talk directly with the person concerned to try and resolve the problem.
- Seek the assistance of his/her educator.
- Consult the Principal.
- Consult the General Manager.
- If the problem is still unresolved, the student will be advised of external organisations, e.g. Consumer Affairs, the Attorney General or the relevant Government Department.
- All records of any complaint will be kept on file.
- AAHB abides by Freedom of Information and Privacy principles.
- AAHB will maintain the student's enrolment while the dispute process is ongoing.
- Students will be given a written statement of outcomes of the complaint including reasons for the decision.
- This dispute resolution policy does not prevent a student from exercising their rights to other legal remedies.
