COURSE INFORMATION FOR INTERNATIONAL STUDENTS

SHB40121 Certificate IV in Beauty Therapy

This qualification reflects the role of individuals who work as beauty therapists to provide a range of beauty therapy treatments and services, including lash and brow treatments, mani/pedi, make-up, massage and waxing. They communicate with clients to recommend treatments and services and sell retail skin care and cosmetic products.

These individuals undertake work independently, with limited guidance from others, to perform routine and non-routine activities and solve non-routine problems. They apply and adapt technical skills and knowledge, and use judgment in the provision of beauty treatments and services. These individuals are responsible for their own outputs and provide limited guidance to others.
