

# HAIRDRESSING

## Certificate III in Hairdressing

SHB30416  
CRICOS 092334E

### Course Information

This qualification is designed for aspiring hairdressers who want to develop strong skills in consultation, sales, and a wide range of hairdressing techniques. You'll learn how to deliver professional services with confidence, use your creativity and judgement to meet client needs, and take responsibility for your own work.

Graduates of this course are prepared to work as hairdressers in salons or across a variety of industry settings. At the time of publication, there are no licensing, certification, or specific legislative requirements for this qualification.

## About Us

Since 1969, we've helped thousands of students build successful careers in the creative hair industry. While most of our students are domestic, we've also proudly welcomed international students from around the world, bringing diversity and energy to our classrooms and salons.

Our training combines theory, workshops, live demonstrations, and extensive hands-on practice in our student salon. We also create plenty of opportunities for industry exposure so students can grow their skills, confidence, portfolios, and professional networks.

Academies Australasia Hair & Beauty is part of the Academies Australasia Group Limited – an education provider with more than 117 years of experience and listed on the Australian Securities Exchange for more than 48 years.
